

# HOW TO TEACH STUDENTS TO CRITICALLY THINK ABOUT TEXT

## COMMON CORE CONNECTIONS

The following table provides you with a roadmap for linking the contents of this book to the Common Core Standards. Where you see a Standard notation, you will find that the corresponding Tab/How-To will help you streamline your teaching of that Standard. For example, where you see RI.5 (Reading Informational Text Standard 5) listed in the "Common Core Standards Connection" column you should pull the corresponding Tab information or grade level resource for this book into your teaching to explicitly teach that Standard.

- RL:** Reading Literature Standards
- RI:** Reading Informational Text Standards
- SL:** Speaking and Listening Standards
- W:** Writing Standards
- L:** Language Standards
