

How Would You Like Me to Personally Walk You Through the Exact Game Plan I Have Used to Build a Wildly Successful Educational Consulting and Training Business... Absolutely for *Free*?

From the Desk of: Jill Jackson
Los Angeles, CA

Dear Friend,

Let's talk about RESULTS for a second:

Every day, I am blown away by my wins and that this is ACTUALLY my life.

Another client renewing their \$55,000 contract for the next school year in one simple email exchange

At least one call per week that starts like this, "I talked to _____ and she said that we HAVE to do and pay whatever it takes to get you to come and work with our district next year..."

A conference organizer begging me to make one day available in my calendar for speaking and right-away sending me a contract to sign...after I quoted a speaker's fee that was multiple times more than I made in a month as a teacher

Increasing my income each year by at least 22% without having to build a bigger and bigger team

In fact, if my calendar and financial records are any clue...

I have outlasted, out-earned and outpaced every other former teacher
who has ventured into the business side of education.

The only question you need to ask yourself is, "Do I want these amazing results Jill has had for myself?"

If the answer is YES, then I'd love to share with you how I'm getting these kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

Right Now, You're Probably Stuck
on One of These 3 Things

You are living paycheck to paycheck even though you hold multiple education degrees and have 15+ years of professional experience and results as an educator. You want to live out the rest of your career where your knowledge and experience are really valued and position you as a go-to in our field...

OR

You realize that you are stuck on a pay-scale that is not increasing fast enough to cover basic costs like college tuition and insurance, let alone a little extra toward paying off your house. You want to command *at least* \$5,000 per day consistently for your expertise with income that is grow-able, increasable and lets you live in the budgeting black from Day 1...

OR

You want to actually be able to enjoy some of the goodies in life like travel, extras for your kids or grandkids and the security of knowing you have enough in your retirement account to give you peace about the future. You want to work super hard when you're working with or training clients, but also want to run a well-oiled machine of a business that allows you to unplug, relax and still increase your monthly income without adding a bunch of additional hours of work...

Which of those sounds more like you?

The good news is that whatever it is, I can show you a plan that will help you make it a reality...

...and I will do it for FREE.

Here's How to Get My Help for FREE...

I've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes. On that call, we'll lay out a plan to help you do ANY or ALL of the 3 things I mentioned above.

This plan is going to enable you to **hit your income goals quickly...and then blow right past them...** ...while **using your expertise and experience right now.**

It's a bold promise...

But after generating MILLIONS of dollars in sales for my business and consultants working with me, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR and light-years ahead of anything you've heard from anyone else or even what you think about when it comes to starting and running a successful business.

After all, I have outpaced and outlasted and outgrown all teachers-turned-consultant-business-owners *for a reason*.

My stuff works because over the 12+ years of building my business, I have sought the opinions, advice and direction of experts...and I used a little of my own mojo too! 😊 And I know that when we work together, and you stay coachable, decisive and resourceful, there is NO limit to what you can achieve in your own business.

This invitation is going out to over 4,200 people right now, so as you can imagine, it's going to create a huge response.

That's why I need you to read this next part carefully:

This is NOT for Everybody.

Here's Who I Can Help:

I am going to be VERY picky about who I'll speak with, and I have a strict (but reasonable!) set of criteria that needs to be met in order for us to proceed:

1. You need to be able to provide REAL value for your clients, so that your business can support a premium price.

This offer is for people who have genuine knowledge or expertise that helps districts and schools to solve the BIG problems in education. If you can do that, and you want to find highly motivated clients who don't even think twice about paying your premium consulting or training fee...let's talk.

But, if you're going to be a dime-a-dozen trainer who wants to regurgitate someone else's work and doesn't bring a fresh perspective on education, no offense, but this is not for you.

2. You MUST be an action taker who follows directions. That means you're coachable, decisive and resourceful. (Don't worry – I won't ask you to do anything weird!)

If you like to “kick tires” or sign up for things and not follow through, this is NOT for you. Maintaining a 100% client success rate is VERY important to me. Please be someone who doesn't mess around and who is serious about results.

That's it – if you meet BOTH of those requirements, we're good.

Here's What I Want You to Do Next:

If you meet the criteria above, and you'd like to talk about getting some incredible results as you start your own educational consulting business, then I'll happily set aside some time for you.

Here's what to do next:

Head over to jackson-consulting.com/breakthrough1 and you'll see my calendar. Grab whatever appointment time works for you.

Then you'll be taken to our quick application form. It's very fast and unobtrusive. I just need to know what you are really good at that other educators need to know about and what you want to accomplish. Then...

You'll be directed to a letter from me.

And that's it!

The initial call will go 45-60 minutes and it will be the BEST time you have ever spent working on your business.

WARNING – TIME IS A FACTOR!

This invitation is going out to 4,200 people today and there is only so much time available on my calendar. It's physically impossible for me to work with more than a handful of people at the level that I do as they are growing their businesses, so it is FIRST COME, FIRST SERVED.

If you feel like this is the right opportunity for you, [click here](#), sign up to chat with me, leave your application and let's talk!
