Standard/Skill/Outcome_

It has been awhile since we specifically looked at

In order for us to remain strong in this skill, we need to do a quick review and check-in on it! (30 seconds)

1

Let's review our 1-sheet with the person sitting next to us... (2-3 minutes)

2

3

Next we are going to do a quick independent practice to keep our skills sharp!

Remember, these are the two things I am looking for as I watch you work (Pull these from Step 3 of the Applying Something Familiar 1-Sheet)

1.

2.

(2 minutes)

	Independent Activity (10-15 minutes)
•	

Okay, let's review our maintenance practice and check-in to see how it went... (1-2 minutes) $\,$

- $\hfill \square$ Review with the whole class any feedback given
- ☐ Clean up any tripping up points
- $\ \square$ Add notes to 1-sheet, as appropriate
