

# MAINTAINING A MASTERED SKILL 1-SHEET

Materials:

Standard/Skill/Outcome \_\_\_\_\_

**1**

It has been awhile since we specifically looked at

In order for us to remain strong in this skill, we need to do a quick review and check-in on it! (30 seconds)

**2**

Let's review our 1-sheet with the person sitting next to us... (2-3 minutes)

**3**

Next we are going to do a quick independent practice to keep our skills sharp!

Remember, these are the two things I am looking for as I watch you work (Pull these from Step 3 of the Applying Something Familiar 1-Sheet)

1.

2.

(2 minutes)

**4**

Independent Activity (10-15 minutes)

**5**

Okay, let's review our maintenance practice and check-in to see how it went... (1-2 minutes)

- Review with the whole class any feedback given
- Clean up any tripping up points
- Add notes to 1-sheet, as appropriate
