This is your totally practical guide to instructional coaching that takes any veteran or newbie coach/principal from “I am a coach” to “Oh...I really know how to get in there and actually coach!”

You'll learn:

- How to set a principal's instructional goal
- How to differentiate coaching time, focus and approach based upon individual teacher needs
- How to approach teachers for coaching without feeling awkward or evaluative
- How to have a debriefing that results in action that sticks long term
- How to build real trust with teachers without wasting time building buy-in
- So much more it can't even fit on this page!

\$399 per person

What you get:

- 7-day access to the 2-day training modules
- Copy of **How to Coach Teachers to Teach (Almost) Anything**
- Copy of **Get Some Guts, Coach**
- Training guide & schedule
- The Jill Jackson **COACH** hat
